## ADVANCED FACIALS

### Glō Therapeutics Signature Facial

Professional skincare, for clinical results. Facial customised for skin type and concerns. Includes facial massage, for deep relaxation. Signature Glō facial options include: Clearing for blemish prone skin, soothing for sensitive, Cyto-Luxe anti-ageing, Retinol and Vit C for brightening, Enzyme and Hyaluronic Acid for improved skin tone. Your therapist will recommend. **£45/60mins**

### Pro 5 Exfoliant

An ideal first peel for clients new to Glō Therapeutics range. A versatile, professional chemical exfoliant uniquely blended with gentle but effective acids. This modern formulation balances all skin types, with no downtime. Skin is left invigorated and Glō-ing. **£45/60mins**

### Glycolic 30% Peel

For clients who are undergoing a professional skincare treatment plan with us. Glycolic is suited to uneven skin tone, pigmentation, ageing, some forms of acne, and oily mature skin types. Repairs and regenerates. **£60/90mins**

### Glycolic 60% Peel

Advanced professional peel for those clients following a prescribed skincare plan with us. Effectively rejuvenates damaged skin by stimulating fresher, healthy cell growth. Improves the appearance of ageing and photodamaged skin as well as adult acne. **£90/90mins**

### Salicylic 30%

Deeply Cleanses pores with antiseptic properties. Treats oily, congested and acne prone skin, including mild rosacea. Helps to smooth and balance the complexion. **£60/90mins**

### Lactic Acid 20%

Smooths, hydrates and brightens, improving the appearance of fine lines and pigmentation with little or no downtime. Lactic is the preferred option for dry and sensitive skin. Added antioxidants help repair and strengthen skin. **£60/90mins**

### TCA/Modified Jessner 14%

A synergy of effective acids, designed to have a transformative effect reducing appearance of melasma, freckles and acne scarring. By providing the strongest level of exfoliation within the Glō-Therapeutics line, this treatment creates a dramatic change in the skin. **£110/90mins**

## DERMAPLANING

### Dermaplaning with Enzyme Peel

Dermaplaning is an advanced aesthetics facial which removes 3-4 weeks worth of dead keratinised skin and soft vellous hair from the facial area for flawless, brightened skin and texture - make up glides on! Not suitable for acne prone skin. **£65/40mins**

### Dermaplaning with CACI Hydratone

Perfect combination of dermaplaning with cooling hyaluronic acid and collagen mask, with super charged rollers. **£95/60mins**

## DIGITAL MICRONEEDLING

Digital microneedling allows for controlled induction of the skin by creating micro punctures which trigger new collagen synthesis to regenerate and thicken the skin, yet does not pose the risk of scarring. This technique helps with the appearance of acne scarring, pigmentation, surgical scarring, sun damage, and stretch marks. Includes full consultation to ascertain suitability for treatment, and prior skin numbing cream for client comfort. **£110/60mins**
